CAMPUS ID CARDS/Student (Triton) Cards

All students enrolled for the current school quarter are entitled to a Triton Card. This is your official university ID card, and you are issued just one active card. The ID card allows you to cash checks, use the library, seek health services, etc. Prior to arriving at UCSD, graduate students may submit their photo electronically to the Campus Card office using [Photo Tool](#) before **August 1st** and your card will be ready for pick-up. This is helpful to avoid long lines applying for a new card at the Campus Card Office (Student Services Center) once the quarter starts.

Once you arrive on campus:

- Have a picture ID available to verify your identity when you pick up your card. You can use your driver's license, passport, state ID card, or other photo ID.
- No hats, sunglasses, or other objects are allowed in your picture. Your face must be clearly visible, smiling, and facing forward.
- Photo must be in color; brightness, contrast, and cropping must be reasonable.

If you do not submit your photo by the **August 1st** deadline:

- Get a photo and ID card at [Student Business Services \(map\)](#) when the quarter begins.
- Please stop by [Student Business Services \(map\)](#) to pick up your card if your department representative has not already provided it to you.
- Contact your department if you need a Triton Card before the quarter begins. They will need to provide you with a formal letter indicating your start date.
- Your card will not be activated until the quarter in which you are enrolled.

OFFICE SPACE

Each incoming Graduate Student will be assigned an office space in the department; our offices are shared space with most students having their own desk. Internet availability is provided via wi-fi connection. We do not supply computers or telephones in the offices. The Sociology Graduate Library is equipped with two computers and a printer which is available for short projects and to check email. Large printing should be taken to IMPRINTS (<http://blink.ucsd.edu/sponsor/imprints/>). The graduate student community is allocated a set amount of printer paper. Beyond the community allowance, students are responsible for their own printer paper. A copy machine and fax machine are available for use in the department mail room and a copy account can be set up in the main office. Each student will have a mailbox in the Department Mail Room.

During Orientation, you will be given the opportunity to check into your office. Keys will be provided by the graduate program coordinator.

KEYS & SECURITY CODES

All keys are checked out by the Instructional Support Assistant and all PhD students will be provided an Omni Lock Code to access the Department Mail Room, where you have a personal mailbox to receive US Mail, messages from students, staff and faculty, and notices of priority packages or items too large to fit in your mail box; The Omni Lock Code also grants you access to the Activities Room and Grad Library. Additionally, you will be given a Security Code to access the Computer Lab in the Social Science Building, as well as your sign-on user ID and password (which you are recommended to change).

FACULTY ADVISORS/MENTORS

You will be assigned a provisional faculty advisor for one year –this information will be provided before or at orientation. This provisional advisor is here to help you with your socialization and professionalization into the Graduate Program. They should check-in with you regularly during the first year to discuss your work, class schedule and overall adjustment to the program. You are not obligated to stay matched with this advisor and may ask the Graduate Program Coordinator or Director of the Graduate Program, to make another appointment if necessary. Please determine which faculty member you would like assigned to you and discuss your assignment with that faculty member in advance and obtain her/his approval BEFORE you make a request for change of advisor.

HEALTH INSURANCE

Health Insurance begins when the quarter starts, 12:01am September 28 or the day of the student's orientation, if scheduled earlier (International/Graduate Division). *For those attending the Graduate Division Orientation scheduled on Wednesday, September 16, 2020, [health insurance will be effective beginning September 14, 2020.](#)*

There are no forms to fill out to be covered. Premiums are automatically paid with your registration fees. If you have additional questions about health insurance or coverage under the University's plan, please go to: <http://studenthealth.ucsd.edu/>.

Health Fee Waiver:

<http://studenthealth.ucsd.edu/ucshipwaiver.shtml>

The Health Fee Waiver application is available on-line via Tritonlink. **Waivers must be submitted by the waiver deadline (on or before 9/1/20)**. Students must be enrolled in classes for Fall 2020 in order to access the waiver on-line. If a student is unable to access or complete the waiver application on-line, or if they will not be enrolled by the waiver deadline, it is the student's responsibility to contact the Student Health Insurance Office **before** the waiver deadline to discuss their situation on an individual basis. *A manual waiver form is available on an exception basis only, however the waiver deadline will still apply.* Upon submission of their

application, their waiver will be approved or selected for audit. An e-mail will be sent to the student's official UCSD e-mail account advising whether their application was approved or selected for audit.

Important note: If a waiver is **not** submitted during the first quarter for which a graduate student attends UCSD and is eligible to waive SHIP, the policy requires that coverage under SHIP remain in force for the remainder of the academic year and a new waiver may not be submitted until the next academic year.
