Course Description
Some people do much better than others in the world of work. Causes and consequences of this inequality will be examined: How do characteristics of individuals (e.g., class, gender, race, education, talent) and characteristics of jobs affect market outcomes? Prerequisites: upper-division standing. Will not receive credit for SOCI 148E and SOCC 148L.

Academic Integrity
All papers will be submitted electronically via TurnItIn (TII), which will detect plagiarism, including self-plagiarism (meaning you already submitted that paper for another course) and failure to cite your sources, including page numbers. No other means of submission will be accepted. Your TII score should be under 20%. Scores between 30%-50% is an automatic D grade, anything above 50% is an automatic F. Write in your own words! Papers without citations or references will not receive higher than a C grade. Acts of academic dishonesty, from plagiarism, utilizing AI software like ChatGPT to cheating on exams, will receive an F grade and be reported to the Academic Honesty committee. Dishonesty in all forms undermine any institution’s ability to certify students’ knowledge and abilities. If you’re unsure about your writing, you can utilize the writing resources on campus, or simply visit the instructor during office hours and share what you’ve written up to that point via the Share Screen function on Zoom. For more, visit the academic integrity office: https://academicintegrity.ucsd.edu/.

Photo and Audio/Video Recording Policy
Taking pictures or audio/video recording in class without the consent of everyone in the class violates the UCSD Code of Conduct 10.25 Privacy Policy: “Making a video recording, audio recording, taking photographs, or streaming audio/video of any person in a location where the person has a reasonable expectation of privacy, without that person’s knowledge and express consent…of all recorded parties.”

Letter of Recommendation Statement
If you anticipate needing a letter of recommendation, please be mindful that as a contingent faculty member, my time at UCSD may be short. Reasonably, I cannot be expected to remember former students who didn’t take the time to get to know me. Letters are strictly for applications into graduate programs, social science ones in particular. Also, as a Lecturer, I have no access to the official UCSD letterhead that would give the letter a more official look. Please give me at least 30 days in advance of the application deadline.

Participation
Attendance is required. Please come to class on time. If you’re late or can’t attend for any reason, please be courteous and let me know in advance. It’s difficult to teach when interrupted. However, there are good interruptions to have, such as asking questions in response to the teaching content/reading. Please attend and participate in order to receive full credit.

Late Work Policy
The Survey is the only assignment that cannot be submitted late. Quizzes will be held towards the end of class. You have six days to make up a missed quiz, and after that they turn to zero, unless excused. The only excuses for missed quizzes are medical, family emergency, and proof of faulty internet connection that prevents you taking the quiz (please screen shot problem and send to instructor). If the first paper is over one week late without valid excuse it will not receive full credit. If the second paper is over three days late it will not receive full credit.

Late Quizzes: If you miss a quiz and can’t make it up during office hours, you have the option of taking it in the Triton Testing Center (TTC). If you think you won’t be able to make it to class on a day we have a Quiz, you should establish an account with the TTC: https://tritontesting.ucsd.edu/for-students/creating-student-account.html

Incomplete Policy
At the end of the quarter, if you need an Incomplete grade, only medical or other documented hardship will warrant it. That buys you ten more weeks to complete the missing assignment(s). If no work was submitted during the quarter, you will not be eligible.

Prompt Questions/Two Essays
For the writing assignment, you can respond to as few/many prompt questions as you like per paper, so long as you have written 800-1000 words by the end of Week 5 and a combined 1750-2000 words by the end of the quarter. Write in Times New Roman font size 12, double-spaced with 1” margins. If you prefer to write a family history project or something else pertaining to Jobs and Inequality, please seek permission from me no later than the second Friday of the quarter. The first paper is due Friday of Week 5, 11:59pm. Second papers are due Friday of Week 10, 11:59pm.

Writing Rules/Guidelines, aka “Checklist”
• Each Paper is 800-1000 words (not including headings, titles, and works cited).
For the first paper, choose among prompt questions 1-5.
For the second paper, choose among questions 6-10.

- You can choose as few/many questions within that range to answer, so long as you reach the word count of 800-1000 words (words in titles and works cited not included).
- Write prompt question that you’re responding to as your title
  - Papers that don’t follow this rule automatically lose 10% of points
  - Your thesis is your response to the question
- Avoid colloquial statements/loose language
  - For example: “throughout history” is a common one. How far back are we talking?
  - Let’s stick to what can be proved
- Cite facts and figures whenever you enter them in the text
  - Citation Format: (author last name year: page number(s))
- Write in your own words
  - Quotes should be no more than one sentence
- List all sources you cited in your Works Cited
  - Have at least two in-class reading sources if you only respond to one prompt, otherwise have at least three in-class reading sources for the entire paper. If you want, you can also add scholarly sources that are not on the syllabus on top of the quota for in-class reading sources.
  - Reference readings, not lectures. Prove that you read!
- Works Cited formats:
  - Article format: Author last name, first name. Year. “Article Title.” Journal Title Volume.Number: page range of entire article
  - Book format: Author last name, first name. Year. Title. Publisher home location: publisher.
- Your TurnItIn score should be under 20%. Scores between 30%-50% is an automatic D grade, anything above 50% is an automatic F
- If all of the above criteria are met and you make sound arguments, you can get the full points.
